There is a kitchen on each floor open between 7.00 and 23.00 each day.

Due to the great number of students that apply and the limited places allotted, other dormitories are also taken into consideration, such as **Dormitory 17** (, ~ 40 EUR/month, double occupancy, bathroom and kitchen on each floor, free internet access).

Campus Economica

No!

- You do not have to bring bed linen, the Administration will provide bed sheets, blankets, pillows. The bed linen is changed every Wednesday, between 8:00-10:00 o'clock, you have to go to the administrator to hand in the dirty bed linen and receive a clean one. Do not leave the bed linen on the floor in front of your room; no one will pick it up.

Important

Erasmus+ students who are interested in booking a room in the student dorm should mark it as such in the Student Application Form and send it as soon as possible by e-mail to ilona.dranca@ubbcluj.ro

The applications greatly outnumber the accommodation capacities of the university. Therefore, you must apply early for a place and specify the exact date of arrival and departure.

- You cannot ask for a prolongation of stay from the first semester to one year.
- Once you quit the dormitory, you cannot ask to be accommodated again at a later time.
