

CommTECH Competition 2020

The aim of this competition is to raise students' awareness in response to COVID-19 pandemic situation and invite them to start dealing with these changes as well as taking an active role to provide solutions.

ITS Surabaya as a leading university in the field of science and technology in Indonesia, encourage students from all over the world to innovate solutions to the COVID-19 affected situations by taking part on this competition. This year, we will have 2 competition categories, which are:

1. CommTECH Ideas Competition 2020

Creative idea or innovation on technology to face COVID-19 pandemic for developing countries. The theme for this competition is “Applied Technology Innovation to Ease Pandemic Affected Situations”.

Participants need to submit a poster containing their technology idea/innovation. The technology can be prototypes or systems that can be made and implemented by students. First place winner will get 400 USD, 2nd place will get 300 USD, 3rd place will get 200 USD, and favourite winner will get 150 USD. All participants will also get e-certificate and opportunity to join the online CommTECH Course with free of charge.

2. CommTECH Short Movie Competition 2020

This competition urges students to tune their skills to create inspiring short movie (duration of 3-5 minutes) with the theme: “We Share We Care: Resilience against Covid-19”. As a note, the movie must be made in English or having English subtitle.

Participants must choose one of the following sub-themes:

1. Campaign on the economic/social resilience amidst Covid-19 outbreak
2. Daily life tips during new normal

First place winner will get 300 USD, 2nd place will get 200 USD, 3rd place will get 150 USD, and favourite winner will get 100 USD. All participants will also get e-certificate and opportunity to join the online CommTECH Course with free of charge.

Both competitions are **free to enter** and open for students (undergraduate/postgraduate/doctorate) from any background and any level. But each student can only join one competition. The registration **is open until 15 October 2020 (4 PM, GMT +7)**. For further information, please visit our web page at <https://www.its.ac.id/international/commtech-competition/>
