CAN I CHOOSE EXACTLY WHERE I WILL LIVE?

We have dedicated places for foreign citizens in several dorms. However, the dorms change every academic year.

You cannot choose and change the dorm, the room or the roommate during one academic year. Starting with the second year of study, you may request a certain dorm, when filling in the electronic request for accommodation. We will take into consideration the request, upon availability of the places.

Please note that only some of the dorms stay open during the summer holiday. If you intend to spend your summer in Cluj-Napoca, you can apply for a place in the dorm. However, this opportunity is available only for certain international student categories. Please contact the Centre for International Cooperation in order to check if your status allows you to apply for summer accommodation. If accepted, you might receive a place in another dorm for the summer period.

CAN I PARK MY CAR IN THE CAMPUS?

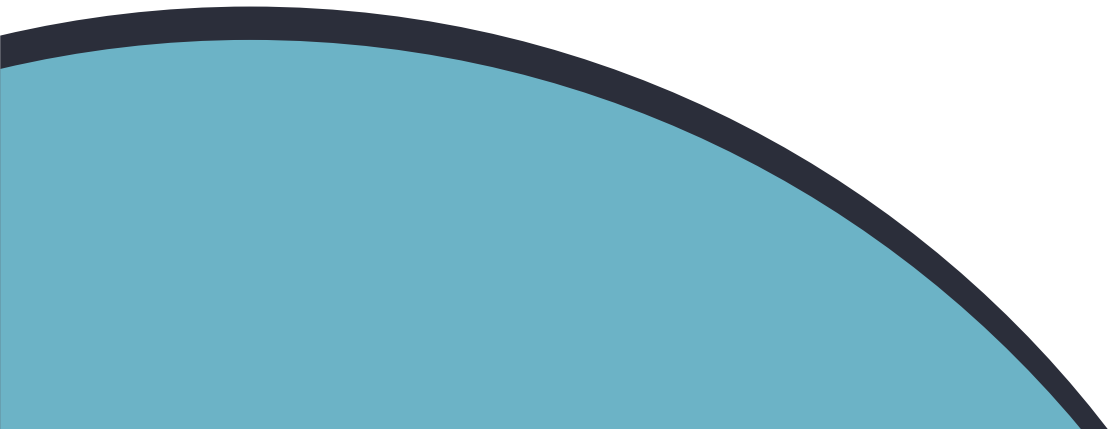

Yes, you can! Students accommodated in the Haşdeu Campus can park their car in the Haşdeu car park, on Pastorului Street, after obtaining a parking space from Cluj-Napoca City Hall.

Applications for a parking space in the Haşdeu car park can be submitted online, through the platform: https://www.e-primariaclujnapoca.ro/reg-istratura/parcari_v2/.

The supporting documents required to obtain a parking space for students are as follows:

- Identity card
- rental contract for accommodation in student dormitories
- certificate of registration proving the validity of the periodic technical inspection and the quality of owner or user of the applicant
- student card to date or certificate attesting the quality of student of Babeş-Bolyai University
- certificate of degree of disability (if necessary)

! All these must be uploaded in the fields for the CI or the registration certificate. If they have not been uploaded in these fields, please send them to the e-mail address registratura@primariaclujnapoca.ro, stating that the application is completed with no. x (registration number received after uploading the application to the platform).

Parking applications must be submitted within 30 days after of the start of the academic year.

The regulations regarding the rental of parking spaces can be consulted by accessing the following link:
<https://files.primariaclujnapoca.ro/2021/05/05/158.pdf>

We work hard to make sure everything is in top shape, but if something doesn't quite seem to work, let us know by writing a note in the registration book held by the security agent. For urgent issues outside of reception hours, contact the dorm man. Please note that the dorm man is not the same person as the administrator of the dorm. They have different working hours and are in charge with different issues.

KEYS AND LOCKOUTS

Access in the dormitory is based exclusively on your dormitory card, which you need to show to the dorm man anytime you are requested. You are now in possession of your very own room key/access card; keep it safe! If you accidentally lose one of them outside the working hours, you won't be able to get access to your room. If you lose one of them, please contact the administrator of the dorm.

PARCELS AND POST

Your post and parcels can be delivered at the dorm. If a courier is unable to deliver a parcel for you, these cannot be delivered to the administrator's office. Each home has a mailbox; you can communicate important correspondence if you need to.

We keep the shared spaces (e.g. corridors and exterior areas) outside of your flat tidy, but it's up to you to take care of cleaning your room, including regularly taking out the garbage. As an advice, you might find it useful to agree on a cleaning rota with your flatmates in the first few days you're here!

To make life easier for everyone, try to give cooking appliances a wipe when you're done using them. It makes maintaining them easier, and helps to prevent unwanted smoke alarm activations.

Bed linen must be changed every week (free of charge). You must take your complete set of dirty bed linen at the administrator's office during the scheduled time (the time will be displayed on the notice board in each dorm).

Taking your garbage out daily helps prevent over spilling and funny smells! To live a little more sustainably, please recycle your garbage (e.g. paper/-cardboard/cans/plastics) using the bins provided in your area.

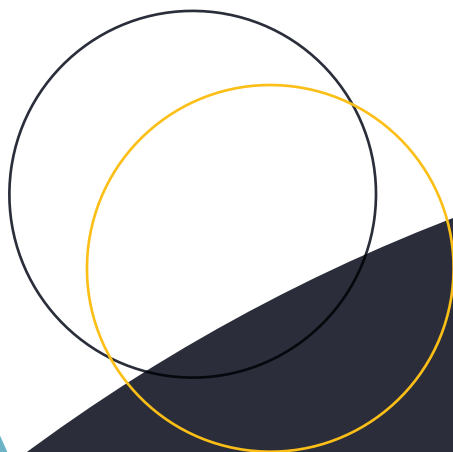

If you're joining us from abroad, make sure to use a good quality adapter for your electronics. Remember, sockets in Romania operate on a 220 volt system!

Try not to overload the sockets, and if you smell burning or see sparks, turn off and unplug the item right away!

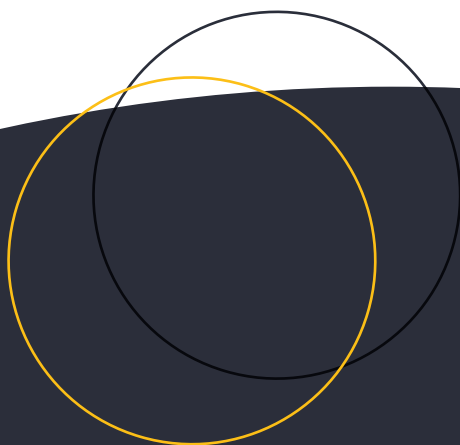

Your safety is a priority. All University accommodation complies with the regulations set out by the University's Code of Practice, which includes health and safety, maintenance and repair. The Security Teams are available 24/7; if you come across an emergency or need help urgently, please contact the dorm man.

If you want to chat with someone about your well-being and health, you can contact our medical team. Babeş-Bolyai University students can benefit from free dental consultations in the office located on the ground floor of the Sport XXI student dormitory located in the “Iuliu Hațieganu” park, 7, Pandurilor Street. In order to benefit from the medical services, please present the up-to-date student card and verify information: https://www.ubbcluj.ro/ro/studenti/campus/orarul_cabinetelor_medicale.

!!!! For medical emergencies please contact the emergency reception unit at 1-3, Clinicilor Street, or at specialized clinics or call 112.
