Why Choose On-Campus Accommodation?

01

A SUPPORTIVE COMMUNITY

Join a vibrant student community where you can live alongside both international and Romanian students. It's a great way to make friends, learn from others, and build lasting connections.

AFFORDABLE AND ALL-INCLUSIVE

UBB offers some of the most budget-friendly student accommodation options in Cluj-Napoca. All essential utilities — including water, electricity, heating, and internet — are included in the monthly rent.

CONVENIENT LOCATIONS

Our dormitories are spread throughout the city, close to university buildings, libraries, public transport, shops, and cafés. You'll be near everything you need, both on and off campus.

SAFE AND SECURE

Your safety is a top priority. All residences have 24/7 security and controlled access, so you can feel at ease in your new environment.

DESIGNED FOR STUDENT LIFE

Rooms are fully furnished and give you access to shared kitchens, laundry facilities, and common areas. Whether you want to study, cook, or relax with friends, you'll find what you need.

EASY TO SETTLE IN

Starting university is the beginning of a great adventure — but you don't have to figure everything out on your own.

Every dorm has a residence administrator and a student representative who can help with any questions or issues you might have. Their contact details will be given to you when you check in, so you'll always know who to talk to if you need support.
